

Reception Weekly Communication Flyer

Mrs Maw

WEEK ENDING: 28/2/2020

In literacy, we have been looking at:

The story of Handa's Surprise. We tasted the fruits from the story and wrote a description for one of them. The children came up with some fantastic words

We have also been learning to:

We made the most of the snow on Thursday and spent the morning outside learning about, freezing and melting and the properties of ice and snow. The children really demonstrated their resilience and determination on the obstacle course. We have also learnt about Pancake Day and why pancakes are eaten. We even got to taste some.

Reminders.

PE Tuesdays are our PE day, please can all children have their kit in school on this day. They can be left on children's pegs so that you do not need to remember them each week.

Reading books- the children take part in independent reading and guided reading each week as well as reading one to one with adults. Please can children have their reading books and journals in school every day. We change our reading books on a Monday

Our Topic:

Our topic after half term will be animals. We will be considering how to care for them and what their needs are. We will also be looking at similarities and differences between different types of animals and their habitats.
