Re: School Reopening – Green Class

Dear Parents and Carers,

We are writing to you to update you with some key information ahead of Green Class reopening for Reception pupils on 1st June 2020.

As you will be aware, Mrs Maw is no longer working at Longmeadow. Mrs Riley will be your child's class teacher from 1st June 2020. Mrs Riley is a long-standing member of staff who will take Green class into Year One next year, in order to support a smooth transition. Miss Goddard will also continue to support as the Teaching Assistant in Green Class. Please find a passport and short video clip attached to this letter, in which Mrs Riley is introducing herself to the children. Mrs Riley has been liaising with Miss Goddard over the last couple of weeks to learn lots about your child to ensure the transition is as smooth as possible.

We will be implementing a number of measures in order to keep both staff and pupils safe on our return to school. Some of these include;

- Smaller class sizes operating as bubbles – you will be informed about your child's bubble very soon
- One way system in school
- No cross over of groups (children will only see children and staff from their group and no one else)
- No visitors to the school
- Increased outside provision
- Additional cleaning
- Additional hygiene measures
- Lunches delivered to classrooms to reduce movement around the school

We recognise that these are very unusual times and thank you for your continued support. Mrs Riley will be calling you this week to introduce herself!

Kind regards,

The Longmeadow Team
