# Mrs Riley,

Hello Green class. I will be the teacher in Green class and really looking forward to teaching you. I have many hobbies such as ballet, running and enjoy reading. I can't wait to meet you all.

# Miss Goddard

Hi Green Class.

I will still be your TA in Green class.

I have been enjoying yoga, meditation and spending time with my two sons, my three cats and two snakes.

I also enjoy helping all of you with your learning, especially art and craft. I am proud of how well you are all progressing with your amazing learning.

# A little about me...

(What would you like your new teacher to know about you? Could you draw her a picture of yourself? Could your adults write some of the things that you like to do? Etc)
