RE: Free School Meal Entitlement

Dear parent/carer

The government's universal free school meal entitlement runs from Reception to Year 2 for all children. When your child transitions into Year 3, their entitlement will automatically stop, so you will need to apply for their free school meals if you think you may be entitled to them.

You will not be able to apply for FSM until September, however if you go on to our website by following the link below and fill out the required details, we will then be able to apply on your behalf. You can do this from today.

<https://www.longmeadow.herts.sch.uk/form/?pid=14&form=198>

You will then be notified via email if your application has been successful and your child will continue to receive free school meals right up until they leave primary school regardless if your circumstances change.

For every child registered for free school meals, the school receives Pupil Premium Funding. This means that we can get extra funding for every child that is eligible. The money goes towards a variety of things in the school to improve the education outcomes of our students, such as resources, visitors and events.

Kind regards

The Longmeadow Team
