**RE: In2Action Trip**

Dear parents/carers

We hope you and your family are safe and well.

We are writing to provide you with an update on the current situation with the in2action trip that was due to take place in April 2020.

We have been in contact with in2action with regards to refunds of the money that has been paid, however to date, we haven't been able to source any money back.

Please be assured that we are doing all we can to resolve this, to try and ensure that money is refunded to parents as quickly as possible.

We are unable to offer any further update at this stage but we will keep parents updated as and when we receive communication from in2action.

We understand that this is a difficult time for us all so could we please ask that all communication to PGL is done via the school and ask that you refrain from posting any unfavourable references to this on social media. We are doing all we can as a school to secure refunds for parents.

We would like to thank you for your continued support and patience.

Kind regards

The Longmeadow Team
