

# Nursery Weekly Communication Flyer

## Miss Hockey

**WEEK ENDING: 18/09/2020**

### In Phonics:

We have been listening to different sounds in our environment. We have made special 'listening ears' to help us and have heard footsteps, a door opening, children playing and the wind!

### In Independent Time:

We have been exploring the classroom and our outdoor area to see what we can learn. We have especially liked taking care of our snails and helping to feed them! We have also been building up our muscles by digging in the mud area.

### Important Messages:

Please remember to bring your child to school in their PE kit every Thursday.

The PE kit consist of:  
White t-shirt  
Black shorts  
Black trainers

Please remember only one parent is able to pick up and drop off on the playground and a mask must be worn when on the school site. Where possible please stick to social distancing.

### Our Topic:

We have been learning all about our new school and our new friends. We have drawn pictures of our houses and who lives with us. We are also talking about our favourite things to do at school and at home!
