

Year One Weekly Communication Flyer

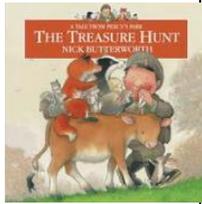

Mrs Riley

WEEK ENDING: 25th September 2020

In English this week:

We have been reading the story 'The treasure hunt.' To find the story Pink class had to complete their own treasure hunt to find the book. We have created our own treasure hunt using positional language for other members of the class to follow.

In Maths this week:

We have been focusing on identifying 2D shapes. We went on a 2D shape hunt to find objects in the outside area that show 2D shapes. We also explore how many sides and corners each of the different shapes have.

Our topic this half term is:

'Places to play.' This week we have been learning about positional language linked to where an object is. We have also used our positional language to help us move 'Bee-Bots' around a map to different locations.

Home Learning

Thank you for all the pieces of homework this week. We have loved seeing what you have been up to. Reminder due to Covid restrictions, you won't be able to bring work in from home but we would love to see photographs, videos or pictures of what you get up to. These can be sent via email to the class teacher.

Important Messages:

Remember to check Bug Club and see what books have been uploaded to read this week! Any questions about this please ask.

Reminders

Please can only one parent pick up and drop off your child on the playground so we ensure social distancing as much as possible on the playground. We also ask that you wear a face covering during drop off and collection times.

Please remember to come in the correct kit every Tuesday please.

If you have any questions please about anything please speak to Mrs Riley before or at the end of the day.
