

Year One Weekly Communication Flyer

Mrs Riley

WEEK ENDING: 2nd October 2020

Home Learning

We sent home an ideas list of suggested home learning activities for you and your child to dip into. It would be lovely to receive an email with some pictures or text about what your child has been up to at home and we will print it out and display it in our classroom.

In Maths this week:

We have been focusing on ordering. In year one, we have been using the vocabulary first, second, third, fourth and fifth when ordering objects. We have been showing what would be the order if someone completed a race.

Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.

Reminders

Next week (Friday 9th October) the children are invited to wear yellow to help raise awareness for mental health. It can be anything from a yellow bow in your hair to a full blown yellow outfit!

If you have any questions please about anything please speak to Mrs Riley before or at the end of the day.

Our topic this half term is:

'Places to play.' This week we have been thinking about seasonal changes and have started to discuss what happens to the trees during Autumn. We have been on a walk of the school grounds looking for twigs and leaves and we can't wait to continue this more next week.

In English this week:

We have been exploring the book 'Journey' by Aaron Becker. It is a beautiful story that has no words. We have spent the week discussing what we can see on each page, thinking about how the character feels and acting out parts of the story. We ended the week by writing a simple poem all about the colour red as in the story the little girl has a magical red crayon.
