

Year 3/4 Communication Flyer

Mr Howley, Mr Amoros, Miss Humbles

WEEK ENDING: 16.10.20

In Maths, we have been:

exploring how subtraction is not commutative. This means we cannot add the numbers in any order and the biggest number must be first, otherwise the answer will go below zero.

Example: $32 - 15 = 17$ $15 - 32 = \text{below } 0$

In English, we have been:

recapping sentence types and the punctuation to go with them. We have looked at questions, exclamations, commands and statements and have looked for these in *The Paper Bag Princess*, as well as written as own!

In Science, we have been:

discussing how sound can be insulated by different materials. We have been using what we have learnt about pitch and volume to make predictions about how sound will be affected by certain materials!

This week's homework:

Please read at least 3 times a week at home on bug club!

Keep practising your times tables with times table rockstars!

Continue to send in your home learning by email with pictures and videos!

Important Messages & Diary Dates:

PE Days (please come to school in your PE kit):

Turquoise - Tuesdays and Fridays

Sapphire - Mondays and Thursdays

Silver - Tuesdays and Thursdays

Please remember:

-Do not bring anything to school other than a lunchbox, snack and named water bottle.

-Only one parent to pick up after school at a time.

-To check your child's PE kit and uniform

Please check at home if you have any coats or jackets that do not belong to your child and return them.

Please continue to speak to or email us if you have any questions.
