

Green class (Reception)

# Weekly Communication Flyer

Miss Pateman

**WEEK ENDING: 22<sup>nd</sup> October 2020**

### In phonics this week:

In our phonics this week, we have been looking at the letters u,r, and ck. We have been thinking of CVC words to read such as run, sick, lick, ran. Can you practice writing and reading these words at home- don't forget to add your sound buttons.

### In independent learning time this week:

During independent learning time the children are able to choose which activity to complete inside and outside. Outside we have been making our own Halloween spells by exploring all the different textures and writing our own potions. We have also been pretending to be teachers in our role play area.

### Our topic is:

'Halloween'

We have been taking part in a range of activities to explore Halloween. We have learnt many facts about pumpkins and have enjoyed making pumpkin soup! We learnt the recipe and method and it tasted delicious! We have also practiced our cutting skills by creating pumpkin faces.

### In maths this week:

We have been looking at measurements. We have looked at different sized pumpkins to see which pumpkin is the longest, shortest, smallest etc. We then measured the pumpkins using unifix cubes.

### Important Messages:

Well done to green class for having a fantastic half term! The children have settled in brilliantly!

### Reminders

Please can only one parent pick up and drop off your child on the playground so we ensure social distancing as much as possible on the playground.

Please can you ensure masks are to be worn at all times whilst on the playground.

Please can you ensure you are accessing bug club with your child daily. Any questions- please ask.
