

Year One Weekly Communication Flyer

Mrs Riley

WEEK ENDING: 23rd October 2020

Home Learning

It has been lovely seeing all the homework you have been completing at home. Please continued to email with some pictures or text about what your child has been up as the class have loved hearing what you have done.

In Maths this week:

We have been focusing on finding 1 more or 1 less of a given number. We have used a range of manipulatives to explore and prove that we have found 1 more or 1 less. We even challenged ourselves to put it into a number calculation.

Our topic this half term is:

'Places to play.' This week we have been exploring how we can mix colours to create different colours. We then used these colours to paint our own necklaces that we have made linking to black month.

In English this week:

We have been continuing to read the book 'Stanley's Stick'.

This week we have been exploring what we would do with a stick. We thought about what adjectives we could use to describe it and where we could take it. On Thursday and Friday we wrote our own story about what we would do with the stick.

Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.

Reminders

Half term- 26th- 30th October.

Year 1 PE day will continued to be on a Tuesday next half term.

Please can you ensure face coverings are worn at all times whilst on the playground.

If you have any questions please about anything please speak to Mrs Riley before or at the end of the day.
