

Purple Class Weekly Communication Flyer

Miss Townsend

WEEK ENDING: 13th November 2020

Home Learning

We will be sending out a home learning sheet for you to dip into on teams. There will be lots of different ideas for you to enjoy working through together. Please can you upload any work you complete to teams and then we can show the rest the of the class. We look forward to seeing your work.

In Maths this week:

Reception children have been learning all about 2D shapes. They have been matching, name and describing the shapes using Mathematical language. Year one have been representing an amount using the part whole model. They have been adding two amounts together to find the total number.

In English this week:

Our topic this half term is: 'Seasons'. We launched our new topic with our exciting role play corner which is set up as a farmers market. We have real fruit and vegetables that we had we to label with price tickets, we wrote our own shopping lists and we have made shop signs with opening days and times. We have all written down what we already know about seasons and what we want to learn this half term.

Both year groups have been learning about instructions. We have learnt that when giving or writing instructions you need to use imperative verbs (bossy verbs). Reception children followed the instructions and made their own Diva Lamps to celebrate Diwali and year one followed their instructions to make fruit kebabs. Both year groups then had a go at writing their own set of instructions as well.

Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.

Reminders

Please sign up for a parents evening slot via the gateway app.

Please can you ensure face coverings are worn correctly at all times whilst on the playground.

Multi-active are offering a special trial week. If you would to take advantage of the £1 per club offer (week of 16th-20th November) then visit: www.multi-active.co.uk

If you have any questions please about anything please speak to Miss Townsend before school or at the end of the day.
