

Reception/Year One Weekly Communication Flyer

Miss Townsend

WEEK ENDING: 27th November 2020

In English this week:

Reception have been learning about different seasons. They made a list of clothes we wear at different times of the year. Year 1 have been writing instructions to create a receipt for the Gruffalo.

We explored what natural materials we could use to make it from and practiced with a partner giving instructions on how to make it.

Home Learning

Thank you to everyone who has uploaded homework through teams. I will continue each week to upload the dip and do task sheet for you to pick another task from. This is set as an assignment so once you have completed the task, please submit it to me to show the rest of the class.

In Maths this week:

Reception have been learning about the whole part model. They had 6 skittles (the whole number) they rolled a ball, counted how many skittles had been knocked down and how many were still standing (the parts). Year 1 have been learning about subtracting.

We explored what happens to the starting number when we subtract and found out that the number gets smaller. We then explored different words relating to subtractions (such as minus, take away and less.)

Our topic this half term is:

'Seasons'. This week we have been exploring freezing and melting. On Monday we got a letter from Elsa needed our help to unfreeze her friends. We discussed how we could melt the ice before exploring how we could do it in during independent time.

Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.
