

# Reception/Year One Weekly Communication Flyer

Miss Townsend

WEEK ENDING: 4<sup>th</sup> December 2020

## In English this week:

Reception have been busy preparing for Christmas! They wrote their own special letters to Santa.

Year one have been reading a new book called 'Mr Big'. They have spent the week reading the story, familiarising themselves with the main character and the storyline.

## Home Learning:

Thank you to everyone who has uploaded homework through teams. I will continue each week to upload the dip and do task sheet for you to pick another task from. This is set as an assignment so once you have completed the task, please submit it to me to show the rest of the class.

## In Maths this week:

Both year groups have been learning about the whole part model in greater detail.

Reception have been busy sorting objects into different groups, recording the two parts and counting all of the objects to find the whole number. Year one have had a challenge! They were given the total amount and one of the parts, they had to use their Maths skills to find the missing part.

## Our topic this half term is:

'Seasons'. This week we have been measuring and recording the temperature. It is definitely getting colder each day! We all wonder if it will snow any time soon. The children also received a special letter from Santa asking them to design their own toy for a friend! Very exciting.

## Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.
