

Year One Weekly Communication Flyer

Mrs Riley

WEEK ENDING: 4th December 2020

In English this week:

We received a special new book. It is called 'Mr Big'. Have you ever read it?

We have spent the week reading the story, familiarising ourselves with the main character and the storyline. We are going to continue our work on this text next week as well.

Home Learning:

Thank you to everyone who has uploaded homework through teams. I will continue each week to upload the dip and do task sheet for you to pick another task from. This is set as an assignment so once you have completed the task, please submit it to me to show the rest of the class.

In Maths this week:

We started the week by consolidating our work on subtraction before moving on to working on the whole part in greater depth.

We recorded as many different ways of making ten that we could think of before moving onto a tricky challenge of identifying the missing part. We were given the total amount as well as one of the parts and we had to use our Maths skills to identify the missing number.

Our topic this half term is:

'Seasons'. This week we have been measuring and recording the temperature. It is definitely getting colder each day! We all wonder if it will snow any time soon.

The children also received a special letter from Santa asking them to design their own toy for a friend!
Very exciting.

Important Messages:

Don't forget to log into your bug club account and read at home. I am able to track and see who is accessing their accounts and I will change the books when needed.

Reminders

- Thursday 10th December- Christmas performance at Church in Christmas jumpers.
- Friday 11th December- Christmas jumper day.
- Tuesday 15th December- Christmas Lunch in festive wear.

Please can you ensure face coverings are worn correctly at all times whilst on the playground.

If you have any questions please about anything please speak to Mrs Riley before school or at the end of the day.
