

# Year Two Weekly Communication Flyer

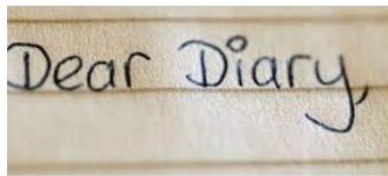

Mr Clarke

## WEEK ENDING: 4th December 2020

### In English this week:

In English this week we have finished reading our class story 'Last Stop on Market Street'. We have then written our own diaries from the point of view of the main character CJ. To be successful we needed to write descriptively, using conjunctions and using the first person.

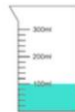

### Science:

In science this week we have discussed what we already know about materials and thought about what questions and discoveries we would like to make this term. This will help guide our exploration in further lessons.

### In Maths this week:

We've had a really busy but fun week in maths, learning all about different types of measurements! We have explored mass using balancing scales and grams. Measured the length of various items using rulers, tape measures and centimeters as well as getting wet while discovering volume and capacity!

### Homework:

From now on please keep an eye out on Teams as homework will be uploaded and need to be handed in using Teams.

### Important Messages:

Please can only one parent pick up and drop off your child on the playground so we ensure social distancing as much as possible.

Please can you ensure masks are worn at all times whilst on the playground.

If you have any questions about anything please see me before or at the end of the day.

### Reminders

PE will be on a Thursday, can children please attend school in their PE kit.

The children will be going to the church on the 9<sup>th</sup> December 2020 to film some Christmas Songs to be sent out.

11<sup>th</sup> December 2020 s Christmas Jumper day
