

# Nursery Weekly Communication Flyer

## Miss Hockey

**WEEK ENDING: 11/12/2020**

### In Phonics:

In phonics we have been learning about different voice sounds. We have loved recording ourselves sounding like lions, cars, rockets and balls! We have also looked in mirrors when we make different sounds to watch how our mouths move when we speak.

### In Independent Time:

In Independent Time we have been exploring the snow and the arctic animals in the sensory tray! We have also enjoyed telling our own Christmas stories using books, people and lots of snowflakes! Some of us have been using the building materials to make Christmas trees.

### Important Messages:

Home learning has now been set on Teams.  
Any completed work can be sent to Miss Hockey to go up on display in the classroom!

### Key dates:

Monday 14<sup>th</sup> December - Christmas Dinner Day  
am - collected at 1pm  
all day children - collected normal time (3pm)  
Friday 18<sup>th</sup> December - Last day of term

### Our Topic:

Our topic this term is Celebrations. This week we have helped Coco the elf deliver some presents to the North Pole by counting how many presents he needs and working out who has more. We have also painted our own melted snowmen and told an adult how they melted. Some of us have tried to make a sleigh for Coco so he can travel back to see Santa before Christmas!

The children play outside in all weathers - please ensure any hats, scarves and gloves are labelled with your child's name.
