

Green class (Reception)

Weekly Communication Flyer

Miss Pateman

WEEK ENDING: 11th December 2020

In phonics this week:

In our phonics this week, we have been looking at the letters zz, ch and sh.

Can you read and write the words ship, shop, chick, chat, chip, buzz. Can you read and write these tricky words:

l, the, no, go, to, he, be, we ?

In independent learning time this week:

During independent learning time the children are able to choose which activity to complete inside and outside.

The children have loved enjoying the new Costa role play in which they have played different roles and explored money when taking payment. The children have also been practising their Christmas songs using instruments on the outside stage!

Our topic is: 'Celebrations'

The children have loved all the Christmas activities this week, especially the singing at the church, which they did brilliantly and sang beautifully. The children have also made their own Christmas cards and decorations for the tree. The children have loved learning about the true story of Christmas.

In maths this week:

We have been learning how to recognise that regrouping different combinations of parts can make the same whole. For example we have been exploring dominoes and learnt that the total number doesn't change but it has two parts which equal a whole.

Important Messages:

A big thank you to all the parents/carers who helped their child to practice the Christmas songs. I am sure you were all as proud as we were!

Reminders

Monday 14th December- Christmas dinner and party

On this day the children can come in wearing any festive clothes or party wear.

If you have any questions about anything please speak to Miss Pateman before or at the end of the day.
