

Year 5/6 Communication Flyer

Mr Whitehouse

Mrs Snelson

Mr Barlow

WEEK ENDING: **11th December 2020.**

Maths

This week we have been practicing our calculation skills and learning new helpful methods which has involved lots of fun maths games.

We have also been completing our end of term assessments which are helping our children to prepare for their SATS.

English

In English both year 5 and 6 have continued to use texts to help understand story construction and correct use of grammar. We have then used this learning in our own creation of texts. We have enjoyed creating diary entries as though we were the main characters in the text. We have also been learning about speech punctuation and using these new skills in our writing.

Important Messages & Diary

Dates:

You should now have received this half term's home learning menu through teams. (This will be set weekly as an assignment.) We are really excited to see a piece of work sent in each week for us to share and talk about. As we are unable to have items of work brought into school we are asking you to send in photographs.

Join in the Fun at our After School Clubs at Longmeadow Primary School.

Book online www.multi-active.co.uk OR phone 01462 351582

Topic

This week we have really enjoyed performing our Christmas songs at the church. We worked hard to learn our songs and plan who would be singing each part. We hope you enjoyed watching the performances on the school's Instagram page as much as we enjoyed doing them.

Science/DT

This week we have been learning all about chromatography. We have been investigating lots of different types of black pens to see the colours that make them.

Reminders:

- **Please read at home every night with your child. This is very important as it develops their reading and literacy skills.**
- **Following Government guide lines there should only be one adult/ parents/carer dropping off/collecting in order to ensure that we can maintain social distancing on playgrounds. Please remember to wear a mask when entering the school grounds.**
