

## Autumn 2- Home Learning Year 3 and 4

Any completed work can be emailed to the teacher via pictures, videos or email attachments. All home learning should be sent by Tuesday 17<sup>th</sup> December 2021.

### We are Authors

Write a diary entry about finding a fossil of a dinosaur that hasn't been discovered before!

What type of dinosaur is it?  
Is it a herbivore or a carnivore?

Did you have to do anything heroic to protect it? Like Steve Backshall!

### We are Readers

Extreme reading! Where is the most extreme place that you can read? Take as many photos as you can.

As a challenge, ask your parents/carers to set a secret alarm. When the alarm goes off, drop everything and read.

### We are Mathematicians

[https://www.sporcle.com/games/g/multiplication\\_table](https://www.sporcle.com/games/g/multiplication_table)

Go to the link above. When you click play, random times tables questions will appear.

Take a picture of your highest score.

### We are Geographers

Go to your local park. Look at the soil. What type of soil is it? How do you know? Are there any other types of soil in the same park?

Take a picture of your discovery!

### We are Scientists

Go for a walk and see what different types of rocks you can find!

Take pictures of your rocks. Can you identify the properties of the rocks you have found?

What type of rocks are they? How can you tell?

### We are Artists

Create a model of a natural disaster. This could be a; Tsunami, volcano or an earthquake.

Maybe you could use; lego, K'NEX, junk, paper mache, play-doh, BE CREATIVE!

Send in your pictures! We're dying to see them!

Please ask an adult before using the internet for any research.
