RE: School Grid

Dear Parent/Carers,

We are in the process of streamlining our systems to make the way you pay for your child's school meals more efficient.

We are pleased to inform you that from Tuesday, 1st February you will be able to order and pay for school meals all on the School Grid. We will stop using the School Gateway for payments for school meals from this date but you will still be able to make bookings and pay for other items.

To make a payment you just need to login to your School Grid account, select "account" and you have the option there to make a payment by card or you can set up a direct debit.

If you do not have your School Grid details, or have any questions, please contact the school office.

Kind regards,

The Longmeadow Team
