Dear Parents/Guardians,

Re: Targeted Teaching across Y5/6

We are writing to inform you that, as the children begin to prepare towards their SATS journey, we are moving towards targeted teaching of pupils. This will allow teachers to assess the specific skills the pupils need to develop and allow for focused learning in Maths and English. The targeted teaching will be for morning sessions and, in the afternoons, pupils will go back to their class groups.

The teaching model will be:

- Ruby, Jade and Diamond will be mixed accordingly in to groups 1,2 and 3
- Mrs Snelson will lead Maths lessons
- Mr Barlow will lead Reading lessons
- Mr Whitehouse will lead Writing Lessons
- Mrs McQueen will support across the classes where needed

Any questions regarding the targeted teaching and organisation of these groups please do not hesitate to contact Mrs Badesha cbadesha@longmeadow.herts.sch.uk.

Yours Sincerely,

The Longmeadow Team
