

Year N Home Learning Menu Spring Term 2

Please complete at least one of the activities below a week. Every Tuesday, you can share your project progress with your teacher or bring in any finished work.

The deadline for all home learning tasks to be completed is: 29th March 2022

We are communicators:

Think about someone who rules at school or at home. Spend some time role-playing as that person. What do they do? What do they say?

e.g. if role playing as a parent, pretend to make dinner, tidy up, read stories etc.

We make relationships:

Talk to your family about a special friend you have in school. What makes them so special? How do they make you feel? How can you make them happy? How do they make you happy?

We are authors and readers:

Share your favourite book with someone in your family.

Can you retell the story using the illustrations?

We are physical learners:

Practise moving your body in different ways to make yourself tall, wide, small etc. Can you squeeze into any spaces at home? Can you stretch up to reach something high? Can you slither under the tables/chairs?

We are engineers, musicians or artists:

Ask your grown-up what their favourite song is. Spend some time dancing along to the music!

Create some paper dolls to represent the people in your family or people in your classroom!

We are curious about our world:

Talk about some families of characters you know from TV or from books. You can also use friend's families. How are they the same as your family? How are they different?

Please ask an adult before using the internet for any research.
