

Year R Home Learning Menu Spring Term 2

Please complete at least one of the activities below a week. Every Tuesday, you can share your project progress with your teacher or bring in any finished work.

The deadline for all home learning tasks to be completed is: 29th March 2022

We are communicators:

Talk to an adult about my topic 'Who Rules?' and what you have learnt so far.

Share with an adult some questions you like to find out more about.

We make relationships:

Talk to your family about who your relations are.

Can you think create/talk about your family tree?

We are authors and readers:

Read your favourite book at home.

Can you retell the story to someone?

Can you draw and write about your favourite book?

We are physical learners:

Can you create your own dance that you could perform at a tea party?

Can you make your own crown?

We are engineers, musicians or artists:

Can you listen to a different style of music at home? How was it different from the last one you listened to?

Can you make something you would eat at a tea party? You are welcome to make it for the garden party at school on the 25th March.

We are curious about our world:

Can you find out about the different places that the Queen lives in? Can you relate this to your family tree? Where do your family live?

Please ask an adult before using the internet for any research.
