RE: Year 2 SATs

Dear Parents,

As I'm sure you are already aware, in Year 2, children are required to complete their SATs to assess them in their English and maths. Your child will sit their SATs tests during the week beginning 23.05.22. The children will complete tests throughout the week based on:

- Reading: Children will complete 2 reading tests
- Spelling, grammar and punctuation: Consisting of a spelling test of 20 words and a separate punctuation and grammar test
- Maths: Consisting of 2 papers, an arithmetic test and a problem solving and reasoning test.

We have been working hard to prepare your child this year. Recently, we completed a mock SATs week with the children. We have also been including SATs starter questions to begin all of our maths and English lessons in order to support the children with how to answer the questions successfully.

If you would like to help your child at home, you can download past test papers from the following government website -

<https://www.gov.uk/government/collections/national-curriculum-assessments-practice-materials#key-stage-1-past-papers>

Practising some of the some of the questions on these papers with your child will support them in their thinking. The children have worked hard in preparation for their SATs and we look forward to seeing their achievements.

We would like to thank you for your continued support. If you have any further questions, then please speak with me during drop off or collection time.

Yours Sincerely

Mr Clarke

Head of EYFS and KS1
