Thursday 8th September 2022

Dear Parents/Cares

Welcome Back!

We have been delighted to welcome all our families back to school; it has been such a positive first few days for the children. The children have demonstrated some beautiful behaviour which has led to a lovely calm environment for all to enjoy in school.

Access Points

As well as some exciting leadership changes which have already been shared with families, we have also looked very closely at the access points for children arriving and leaving school. During a recent health and safety audit it was recommended that we reduce these points in order to keep our school community as safe as possible and so, as a result, the two exits on both lanes will no longer be in use - this will be effective from **Monday the 12th September**. When arriving and leaving the school site please do so via the main entrance and make your way to either the Early Years and KS1 playground or the KS2 playground.

Bagel Hut

It has been wonderful to have the Bagel Hut open again this week. This is located at the corner of the KS1 playground where your child can pick up a FREE bagel each day between 8.30 and 8.50am. A massive thank you to Miss Maguire for running this service for all the children to enjoy each day.

Thank you for your continued support.

The Longmeadow Team
