## *2 Parent Governor Vacancies*

We are looking to elect two, enthusiastic and committed, parent governors to join the Governing Body Team at Longmeadow.

We are specifically looking for people from our local community who are passionate about supporting the school in maintaining and continually improving upon its existing high standards for teaching and learning.

The successful candidates will be excellent team players and possess the ability to think strategically, enabling them to contribute to the collective responsibilities of the Governing Body, namely the setting of the school's strategic aims; agreeing plans and policies; making creative use of resources; and challenging, as appropriate, to ensure decisions proposed by the senior leadership team are made in the school's best interests and are in line with the School Development Plan.

Specific experience in SEND, Early Years Foundation Stage or strategic planning would be desirable, along with knowledge of safeguarding practices.

Longmeadow Primary School has recently undergone some exciting leadership changes and along with providing outstanding teaching our aims are to; develop happy, challenged and motivated learners; and lead in the community. The Senior Leadership Team at Longmeadow is working closely with the governing body to ensure clarity of vision, ethos and strategic direction of the school and to jointly maintain and continuously improve upon the educational performance of the school and its learners.

If you are interested in becoming a Parent Governor at Longmeadow, please email me on [Melany.knowles@hertfordshire.gov.uk](mailto:Melany.knowles@hertfordshire.gov.uk) for further information and to arrange for an informal discussion. Please apply by **Friday 11<sup>th</sup> November**, we are keen to welcome two new members to our Governing Body Team as soon as possible.

*Longmeadow Primary School is committed to safeguarding and promoting the welfare of children and requires all members of its community to share in this commitment. As such, any governor appointment will be subject to a DBS check.*

Yours sincerely,

Melany Knowles
